

Evaluation questionnaire for youth exchange

General description of the tool

This tool is an evaluation tool for youngsters have just finished a youth exchange.

The questionnaire, both in digital or hard copy, is composed by the following open questions:

- 1) How you can evaluate your involvement in the youth exchange you have participated?
- 2) Which are the main topics dealt during the youth exchange?
- 3) What did you like mostly of this experience?
- 4) What did not you like of this experience? Have you had the chance to share your feeling with someone from the hosting association?
- 5) Have you faced some difficulties? If yes, which and how did you overcome them?
- 6) In which situation you have felt yourself really active?
- 7) What did you learn?
- 8) After this experience, have you got or changed some opinions/information about Europe? And about people from different countries? Please write down
- 9) What would do you like to do in the next period? Are you interested to do some other mobility experiences? Training course/ EVS/ local volunteering etc? Are you interested to get information about these opportunities?

Specific objectives of the tool

- To evaluate the experience
- To reflect about the challenges and the positive aspects met
- To recognize which new information and inputs have been given
- To express the desire to continue to be involved in other mobility experiences

How to fill it out?

The Evaluation questionnaire (digital and hard-copy) is fulfilled by the youngsters have just come back from a youth exchange or work camps, under the supervision of the sending organization.
